

# Astro Camp Saturday 2012

## International Space Station - Island in the Sky

**April 14 & April 21**

Experience the magic of International Space Station (ISS), the most unique place to work in our solar system, brought to life by our out-of-this world Astro Camp team. Campers will be immersed in ISS activities that explore living, working and traveling to the greatest orbiting science laboratory ever devised. Campers will investigate NASA's newest systems of rocket transportation while building and testing a solid rocket. Campers will discover the inner workings of the ISS, from the crew quarters to the Destiny Lab module, as they construct their very own ISS replica. All the while, campers will explore some of the unique materials used in the modern aerospace industry through investigations with polymers and phases of matter.

-----  
**REGISTRATION FORM FOR ASTRO CAMP SATURDAY 2011**

Please circle the camp or camps your child plans to attend:

**April 14**

**April 21**

*Camp hours are 8:45 a.m. to 3:30 p.m. Campers should arrive at the Launch Pad by 8:30 a.m. on Saturday.
